

## **Directions to Kanady Cabin on Nancy Lake:**

Head out of Anchorage on the Glen Highway.

Drive through Wasilla, and Houston.

Shortly after driving through Houston you will begin to see Nancy Lake turn off signs, on the left side of the road.

At milepost 79/80 of the Parks Highway, turn left onto Nancy Lake Parkway.

Drive 2-miles down Nancy Lake Parkway; right BEFORE the 2-mile marker sign there is a parking lot on the left side, turn in.

Once there, you have to walk down the path following the signs to public-use cabin #4, right before you get to public-use cabin #4, there is a little path to your left that will lead you to our cabin.

You will be able to see our cabin through the woods; it's a log cabin with a green metal roof.
