Alaska USA Wrestling is offering 4 great camps this summer to fit the needs off all our wrestlers in the state of Alaska!

If your wrestler was born 1993-1999, the Kids/Cadet camps held at Bartlett High School is a good bet. The Intensive camp is rigorous, yet staffed to accommodate needs of younger wrestlers while keeping the overall intensity high. We are also offering a 4 day “Technique Camp” as well this year.

If your wrestler was born pre 1989-94 is still in High School you should consider the Cadet/Junior Camps @ South Anchorage High School. The Intensive camp is for experienced, exceptionally fit, and dedicated athletes. We are also offering a 4 day “Technique Camp” as well this year.

*All members of Team Alaska **must** attend the “Intensive camp” if planning to compete in Fargo.
