General Information

USA Wrestling Chartered Clubs

A USA Wrestling Chartered Club provides an opportunity for member athletes, coaches and volunteers to practice, train, compete and enjoy amateur wrestling while being under the USA Wrestling umbrella of benefits and services. All chartered clubs are entitled to receive an array of benefits including: liability insurance, access to information in a one-year subscription to the national publication, coaching education and training guides, "how to"; help, community public relations assistance and fundraising opportunities, discount apparel, merchandise and tournament supplies. Contact USA Wrestling for more information.

Being chartered as a USA Wrestling club also carries with it responsibilities. Participation in national sponsorships programs, reviewing the Club Organizing Guide, and complying with membership rules, insurance requirements, and USA Wrestling's By-Laws, operating rules and policies is required.

While USA Wrestling Chartered Clubs exist to carry out the mission and purposes of USA Wrestling on a local level, clubs are formed and operated as separate entities from USA Wrestling. USA Wrestling neither accepts any responsibility, nor undertakes any obligation or liability, for the organization, conduct, promotion, solicitation or registration of club members, the condition or adequacies of the practice site or any other arrangements for subject club or any related practices or activities, including the conduct of club directors, administrators, and volunteers, for all of which the Club (i) will have full and sole responsibility and (ii) shall indemnify and hold harmless USA Wrestling and its members, directors, officers, employees, agents and affiliates against any and all liabilities, claims, demands and losses (including reasonable attorney's fees and costs).

Individual Memberships Within Clubs

All members of a USA Wrestling chartered club must be individual members of USA Wrestling. USA Wrestling has four categories of individual membership:

Competitor	the category of any active wrestler
Coach	the category of individuals involved in coaching or teaching wrestling
General	the category of individuals who volunteer or support amateur wrestling, including parents, siblings, relatives, fans, businesses and organizations, and those who help with clubs.
Official	the category of individuals who wish to learn about or practice officiating, including referees and pairing masters.

Application Procedures for Chartered Clubs

Members of a Club may join USA Wrestling in any of the first three categories at the same time the Application for Club Charter and appropriate forms and fees are submitted to your State Chairperson/Director. This makes registration as a Club and individual easy - only one check is needed, payable to your State Association. Those wishing to join as an Official must apply separately to the United States Wrestling Officials Association, 2616 Hamilton Ave., Glenshaw, PA 15116. Because space on this form precludes listing membership benefits by category, separate literature is available that describes insurance programs, discounts, complimentary subscriptions and other benefits.

Individual Memberships are accepted throughout the membership year by your State Chairperson/Director. As new members join your USA Wrestling Chartered Club throughout the membership year, register their individual memberships in USA Wrestling immediately. Failure to register all of your club memberships individually with USA Wrestling will result in the suspension/revocation of club charter privileges with USA Wrestling.

This application and the appropriate fees must be received and accepted by the State Office for chartered club benefits to apply.

Club Benefits and Services

USA Wrestling benefits and services are provided to every chartered club in which all wrestlers and designated coaches are individual members of USA Wrestling. Practices must be organized and supervised by USA Wrestling member coaches.

USA Wrestling liability insurance coverage for chartered clubs insures the club itself, as well as club coaches, administrators and volunteers for covered claims and cost of related litigation.

If the owner/operators wish to be named as Additional Insured for USA Wrestling Chartered Club activities held at the practice site, the chartered club director must contact USA Wrestling's Department of State Services.

Chartered clubs will receive a free subscription to the USA Wrestler, the official publication of USA Wrestling.

Chartered clubs can become involved in USA Wrestling's National Coaches Education Program. In addition, from time to time USA Wrestling publishes and provides, free of charge, coaches' education materials.

Merchandise benefits include: 5% discount on club orders, special team order pricing, merchandise consignment fund-raising program.

These explanations are provided as an aid to completing this form, and are not intended to be a detailed description of insurance coverage, membership benefits, or the rules regulating these matters. For answers to specific questions, or for help in organizing your club, contact USA Wrestling's Department of State Services or your State Association Membership Director.
