

Juneau Dance Unlimited Membership Application Form

(One-year membership • July 1 – June 30)

Juneau Dance Unlimited is proud to provide the Juneau community with dance instruction and performance opportunities throughout the year. We are equally proud of the community support we have received throughout our 34-year history. Please help support JDU by becoming a member of our organization. As a JDU member you can take pride in your commitment to the philosophy that art benefits everyone, from toddler to senior, amateur to professional, bringing us together on common and enlightened ground. Express your commitment today by becoming a member of JDU. JDU members receive member rates for all classes and Fine Arts Camp. If you are already a part of our family, we hope you will renew your annual membership each year, and consider upgrading your tax-deductible contribution. Donors will be listed in our performance programs.
